

25 kg

# Seaperia

THE SUPERIOR SEAWEED

# SEAWEED MEAL

**Pure *Ascophyllum nodosum***

SEA Seaweed Meal is health-giving supplement suitable for all animals and birds.

It provides a full range of bio-available minerals plus vitamins and specific amino-acids that boost gut health.

SEA Seaweed Meal also boosts soil health by feeding microbial life and improving water holding.

Use one handful per square metre. Sprinkle over worm farms and compost, add to brews and teas.

Store in a cool, dry place away from direct sunlight.

#### FEED RATES

Cattle - 20 to 50 grams per day or 10 to 25kg per tonne dry feed.

Calves - start at 5 grams per day.
